PROJECT

SRS Name: Abogabot App

Date: 03 / 03 / 2022

Responsible: James Coldridge

Dependencies: Tech and Innovation

Functional Leader*: Antonieta Martínez

*Chosen by the Software Development Team.

Description & Formalization

CUSTOMER:

Gibson Dunn's Firm wants to be leader in innovation with a new app available to our clients, where they would be able to do their applications and legal requests easily. Also, we want our clients to be able to track the progress of their procedures from their desktop and mobile devices.

FUNCTIONAL LEADER:

Gibson Dunn's Firm asks for the development of a web app designed for their clients, who will be able to create and track all their legal procedures in an easy and intuitive way. They want this app to be available for all platforms and OS (Desktop and Mobile).
